

Dear Tyler,

My name is Blaine Guggenmos. This year on Veterans Day I wanted to thank you for serving your country when it needed it. When I was seven, my brothers and I knew you. My mom and dad knew your mom and dad. I am now 14 years old and my mom showed me pictures of you that were on Facebook. My mom told me how you looked the same just a little older than the last time we saw you. When I saw those pictures I knew you would do a good job in serving your country. I just wanted to thank you for serving. I now go to St. Francis High School and really like school.

I remember going to where your parents worked and eating ice cream and I will always remember you for what you're doing and what you're going to do. Thank you for serving your country and mine. Thank you for helping a time of need. I hope to see you again sometime.

Sincerely,

Blaine Guggenmos
