### **My Favorite Place**

Beautiful summer day *everyday*, sweet sounds of laughter  
When all my family is gathered and we talk of nothing  
Every moment is my favorite because the days go on forever  
The angels singing, the laughter of all, His loud but sweet voice  
The blessed children playing, sparkling streets of gold  
Talking with Him, playing with my baby sister  
When my time comes  
I will be at my home; there will be no returning for me
