## *Sense the Colors*

Spite seems fiery red.  
Like the crackle of the fire on a rainy night.  
I see swirls of red and orange.  
I hear the screams of the wood as it burns and cries.  
I smell the crackle of the fire as it dances beautifully.  
I touch the sparks as they run from the fire's might.  
I taste the heat of the two partners dancing 'cross the burnt wood.
