## Come participate in these amazing hands on simulation tours

- **Ambulance Simulations and Tour**  
 Get the chance to see how EMTs respond to a scene and stabilize a patient. Get inside the ambulance to learn about the equipment, methods and supplies used by paramedics and EMTs.
- **Pediatric Simulations**  
 Tour our Mobile Training Center simulation vehicle and receive the hands-on stabilizing techniques used to create better outcomes for our pediatric patients.
- **Casting Simulations**  
 Learn about casts and when they are used. You and a partner will learn the step by step process of putting a cast on and how to take it off.
- **Minimally Invasive Surgery Simulation**  
 Learn from our Center for Robotic Surgery team at P/SL about the amazing surgeries performed with the Da Vinci robot, plus learn about laparoscopic equipment and see a fully set-up operating room.
- **Emergency Response Simulations**  
 Learn important tools used by first responders in traumatic events. You will learn Stop the Bleed, CPR, and suturing techniques used in emergent situations.

**COST: \$50.00** (check or money order only – **payable** to P/SL)

**Mail ENTIRE FORM and payment to:** Attn: Rev. Mike Guthrie P/SL Mini Medical University, 1719 E 19<sup>th</sup> Ave., Denver, CO 80218
